REQUEST FOR RELEASE OF FUNDS

On or about March 27, 2018 Rhode Island Housing will submit a request to the U.S. Department of Housing and Urban Development (HUD) for the release of HOME Investment Partnerships Program funds under Title II of the Cranston-Gonzalez National Affordable Housing Act of 1990 for the following project:

ONE Neighborhood Builders

King Street Apartments

1-45 & 72 King St., 42 Dearborn St., 370 Manton Ave., & 50 & 60 Salmon St.,
Providence, RI 02909

The developer, ONE Neighborhood Builders, proposes the acquisition of fifteen (15) vacant lots, along King Street, Manton Avenue and nearby Salmon and Dearborn Streets, and a commercial building at 72 King Street, Providence to develop into thirty-six (36) apartments of low-income affordable residential units in twelve (12) multi-family buildings. The building sites offer an opportunity for residential new construction development in the Olneyville neighborhood that also preserves open space for common use. Upon completion the buildings will provide efficiency, one-bedroom, two-bedroom and three-bedroom apartments to accommodate households of 1-6 people. The commercial building at 72 King Street will be demolished and all the new buildings will be sustainably designed and constructed for minimum carbon footprint. This transformation of the vacant lots will improve the blighted area and those using the nearby Riverside Park and bike path.

Proposed HOME Award \$583,427
