**B.6 Progress Report.**

Provide a description of the PHA's progress in meeting its Mission and Goals described in its 5-Year PHA Plan.

**2020-2025 GOALS UPDATE:**

1. *Continue collaboration with Public Housing Authorities to create efficiencies through shared administrative functions such as inspections and shared jurisdictions.*

**UPDATE:** *In 2016 RIHousing launched the Centralized Wait List with the participation of 18 public housing authorities, which is nearly 70% of the state's housing authorities. This collaboration allows potential applicants to access one application for thirty-four (34) project-based voucher wait lists and the wait list for 18 housing choice voucher programs all from one online portal. This innovation in shared administration and applicant access continues to function efficiently. Additionally, RIHousing spearheaded a competitive bidding process with a cohort of nine (9) public housing authorities to improve the quality and value of the Housing Quality Standards (HQS) process. A successful firm was identified and contracts have been executed. Currently, RIHousing is exploring opportunities for partnerships that increase the availability of resident services.*

2. *Maximize state, federal and private funds to provide residents with a more holistic system of support to address social determinants of health in housing.*

**UPDATE:** *In 2020, RIHousing applied for Tenant Protection Vouchers through the Foster Youth Initiative. This Initiative requires the cooperation of the public child welfare agency, the housing authority and a service provider. RIHousing partnered with the Rhode Island Department of Children, Youth and Families (DCYF) and Foster Forward, a leading foster youth service provider to implement the Initiative. Foster Forward committed private funds to provide case management and housing stabilization services to maximize the public funding deployed by DCYF and RIHousing to provide holistic, wrap around services in stable housing to extremely vulnerable youth.*

*In 2021, RIHousing was awarded 117 Emergency Housing Vouchers and through our collaboration with the RI Continuum of Care and the RI Coalition to End Homelessness all vouchers have been issued and nearly 60% have been leased up.*

3. *Regenerate the wait list using updated preferences to ensure maximum utilization of the voucher program.*

**UPDATE:** *RIHousing successfully updated preferences in the 2020 Administrative Plan and is undertaking an aggressive voucher issuance plan; but because of the extremely low-vacancy rate and continuing impact of the COVID-19 pandemic maximum utilization remains difficult.*

4. *Partner with affordable housing non-profits to create a tenant education program that will help tenants succeed in subsidized housing.*

**UPDATE:** *RIHousing is surveying existing HCVP tenants and exploring partnerships and curricula. To address tenant education more holistically, RIHousing's Community Development grants funded a tenant education program that was delivered by Community Development Corporations.*

5. *Promote the use of project-based vouchers to address family homelessness, preserve affordable housing, protect at risk families and full utilization of Housing Choice Voucher program.*

**UPDATE: RIHousing issued a Request for Proposals in 2018 to recruit project based voucher (PBV) opportunities that would target vulnerable households including those who are experiencing homelessness, families who require supportive services and families who are disabled and/or elderly. Currently, RIHousing has reached the capacity for project-based voucher contracts allowed by HUD. This translates into 68% of RIHousing’s PBV contracts exclusively serving Rhode Island families with a history of homelessness or a risk of homelessness.**

6. *Obtain the status of a High Performer housing authority.*

**UPDATE: RIHousing has implemented quality control activities to ensure a return to the status of “High Performer” that include a revised approach to Housing Quality Standards (HQS) inspections and improved utilization in the voucher program. RIHousing engaged McCreight and Associates, known for their commitment to excellence in HQS inspections. This relationship will augment the internal full-time HQS inspector, as well as serve a quality control function. In addition, RIHousing allocated a corporate-wide internal quality control resource to analyze the existing process of quality management and make improvements where applicable. This internal quality control function will monitor the process of carrying out and conducting quality control analysis in the HCV program.**

7. *Increase owner outreach and provide relevant landlord materials to promote participation.*

**UPDATE: Building on the work of the Housing Stabilization team in 2019, the PHA partnered with RIHousing’s Marketing team to implement an even more aggressive landlord recruitment effort. A recipient of the National Council of State Housing Agencies’ Annual Award for Excellence, the “Hello, Landlords!” campaign includes an on-going landlord newsletter; a Landlord Appreciation event, held virtually last year; a redesigned and more robust landlord webpage on the [www.rihousing.com](http://www.rihousing.com) website; and incentives for new landlords to participate. Among the incentives included are an opportunity to post available units in a forum that is exclusively for voucher holders, a courtesy “pre” HQS inspection, and the availability of lead remediation funds. Further, RIHousing recently hired a real estate professional to cultivate relationships with new landlords and pursue opportunities to improve the participation of multi-family property owners in the state.**

**B.7 Resident Advisory Board (RAB) Comments.**

(a) Did the RAB(s) provide comments to the PHA Plan?

Y N

(a) If yes, comments must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the RAB recommendations and the decisions made on these recommendations.

The statement must identify the housing needs of (i) families with incomes below 30 percent of area median income (extremely low-income), (ii) elderly families and families with disabilities, and (iii) households of various races and ethnic groups residing in the jurisdiction or on the waiting list based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data. ([24 CFR §903.7\(a\)\(1\)](#) and [24 CFR §903.7\(a\)\(2\)\(i\)](#)). Provide a description of the PHA’s strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. [24 CFR §903.7\(a\)\(2\)\(ii\)](#)

**Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.** A statement of the PHA’s policies that govern resident or tenant eligibility, selection and admission including admission preferences for HCV. ([24 CFR §903.7\(b\)](#))

**Financial Resources.** A statement of financial resources, including a listing by general categories, of the PHA’s anticipated resources, such as PHA HCV funding and other anticipated Federal resources available to the PHA, as well as tenant rents and other income available to support tenant-based assistance. The statement also should include the non-Federal sources of funds supporting each Federal program, and state the planned use for the resources. ([24 CFR §903.7\(c\)](#))

**Informal Review and Hearing Procedures.** A description of the informal hearing and review procedures that the PHA makes available to its applicants. ([24 CFR §903.7\(f\)](#))

**Homeownership Programs.** A statement describing any homeownership programs (including project number and unit count) administered by the agency under section 8y of the 1937 Act, or for which the PHA has applied or will apply for approval. ([24 CFR §903.7\(k\)](#))

**Self Sufficiency Programs and Treatment of Income Changes Resulting from Welfare Program Requirements.** A description of any PHA programs relating to services and amenities coordinated, promoted, or provided by the PHA for assisted families, including those resulting from the PHA’s partnership with other entities, for the enhancement of the economic and social self-sufficiency of assisted families, including programs provided or offered as a result of the PHA’s partnerships with other entities, and activities under section 3 of the Housing and Community Development Act of 1968 and under requirements for the Family Self-Sufficiency Program and others. Include the program’s size (including required and actual size of the FSS program) and means of allocating assistance to households. ([24 CFR §903.7\(l\)\(i\)](#)) Describe how the PHA will comply with the requirements of section 12(c) and (d) of the 1937 Act that relate to treatment of income changes resulting from welfare program requirements. ([24 CFR §903.7\(l\)\(iii\)](#)).

**Substantial Deviation.** PHA must provide its criteria for determining a “substantial deviation” to its 5-Year Plan. ([24 CFR §903.7\(r\)\(2\)\(i\)](#))

**Significant Amendment/Modification.** PHA must provide its criteria for determining a “Significant Amendment or Modification” to its 5-Year and Annual Plan. Should the PHA fail to define ‘significant amendment/modification’, HUD will consider the following to be ‘significant amendments or modifications’: a) changes to rent or admissions policies or organization of the waiting list; or b) any change with regard to homeownership programs. See guidance on HUD’s website at: [Notice PIH 1999-51](#). ([24 CFR §903.7\(r\)\(2\)\(ii\)](#))

If any boxes are marked “yes”, describe the revision(s) to those element(s) in the space provided.

**B.2 New Activity.** If the PHA intends to undertake new activity using Housing Choice Vouchers (HCVs) for new Project-Based Vouchers (PBVs) in the current Fiscal Year, mark “yes” for this element, and describe the activities to be undertaken in the space provided. RIHousing intends to lease up the maximum number of project-based vouchers allowed by the HOTMA regulations for a PHA of its size.

This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the AFFH Certification if: it can document that it examines its programs and proposed programs to identify any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction’s initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. ([24 CFR §903.7\(o\)](#))
