## A. Activity Description

**1a.** <u>Abstract/Eligibility:</u> In the space provided, describe the activity to be undertaken, including only the information necessary to succinctly define and quantify the proposal, and demonstrate how the project will meet eligibility requirements, showing appropriation citation (HCDA/24 CFR Part 570).

**1b.** <u>National Objective</u>: In the space provided, provide DETAILED information on how the above described activity will comply with CDBG National Objective requirements. Applicable regulation citation(s) must be provided, along with details on backup documentation which will verify compliance if the activity is funded. Applicants must attach copies of income-verification forms and/or other documentation which will be maintained to document compliance. Failure to adequately detail national objective compliance will result in the elimination of the activity from consideration.

Public Facility/Improvements and Infrastructure requests must <b>atta</b> with service area clearly marked.	<b>ch</b> a FIRM (flood map) and a locator map,

2. <u>Append the Following:</u> At the conclusion of this form, use as much space as necessary to describe the activity to be undertaken; providing quantities, numbers, area, locations and other information necessary to clearly define the proposal. Illustrative material may be appended including a target area map and/or architectural (site plan and elevations) drawings if appropriate. If the project will be Energy Star compliant or have any other special design/siting considerations, please specify them herein.

ESSENTIAL: Discuss how this proposal prevents, plans for or responds to impacts of the COVID-19 pandemic the COVID-19 pandemic. If appropriate, discuss the relationship of this proposal to other proposed and funded CDBG activities.

The description provided is used to determine if the activity is fundable under the Rhode Island CDBG-CV program. It is ESSENTIAL that the description clearly demonstrate how the project will meet eligibility and <u>national objective</u> requirements. Provide documentation to support conclusions.

For service proposals, indicate outcome goals and method for tracking outcomes and evaluating effectiveness. Service proposals with education and job training components should attach curricular summary documentation, evidence of demand by income eligible persons and address how they will meet reporting requirements.

Timeline. Please detail the projected timeline for completion of this activity. Minimally (for В. construction projects) show bid documents will be available, when construction is anticipated to commence and complete and when the project will be occupied. For service projects, indicate when the service will be undertaken and funds drawn down. For planning activities, indicate procurement and vendor start/end dates.
