project goals

• Fully inclusive process

• Ensure mixed-income housing with 1-for-1 affordable replacement units

• Redevelopment as a catalyst for neighborhood improvement

• Improve the quality of life for local residents
2009 neighborhood plan

- Encourage the development of a commercial node from the Broad/Elmwood intersection to Summer Street to serve as a transition to Downtown, and a node closer to the highway and service road to allow for taller building heights oriented to Downtown.

- Work with DPW and the phone companies to remove the phone booths at the intersection of Elmwood/Broad and Lockwood in order to improve community safety.

- Unlock Jacqueline Clements Memorial Park.

- Work with RIPTA to increase the frequency of transit service along Prairie Avenue.

- Assist RIPTA's efforts to create a peripheral hub at the existing Rhode Island Hospital parking lot site.

- Re-open Collier Park to the public; improve pedestrian connections from upper South Providence to Collier Park.
