

RIHousing Health and Housing Pilot Funding

Attachment B: Partnership Opportunities

RIHousing recognizes that healthcare entities or housing providers may be interested in participating in this program but do not have an identified partner. Therefore we are attempting to create a list of agencies interested and willing to consider partnering on this pilot. By clicking on the below link you can enter your organization's name, contact information and whether you are a housing provider or healthcare entity. We encourage interested parties to reach out to one another to discuss partnership opportunities.

Click <https://tinyurl.com/HealthHousingPartners> to submit your organization's information.

Please note: RIHousing will post information as it is provided to us and does not endorse any entity. We cannot confirm eligibility or worthiness of any group on the list.
