

## Housing and Healthcare Partnership Toolkit and Summit RFP

### Questions and Answers

#### **August 8, 2023**

**Q:** Can you confirm if the cost of hosting the summit is allocated in the total grant among (\$150,000) or do you have additional funding for the event? Also, as we are thinking through the Summit layout, can you confirm if we need to adhere to a required number of attendees and length of time (number of days).

**A:** A final budget for the summit has not yet been determined and applicants should propose what they anticipate the summit to cost. The summit will be a one-day event. We do not yet have an estimate for number of attendees, but applicants are welcome to approximate their budget for 100 attendees, with the understanding that the final attendee number may be larger or smaller.

**Q:** For planning purposes (venue) is there an estimated number of attendees for the summit based on the total number of entities?

**A:** We do not yet have an estimate for number of attendees, but applicants are welcome to approximate their budget for 100 attendees, with the understanding that the final attendee number may be larger or smaller.
