NEW ENGLAND OPERATIONS

EMAIL: [ehalvorsen@rkgassociates.com](mailto:ehalvorsen@rkgassociates.com)  
PHONE: 617-847-8912

Eric brings over 15 years experience working in communities across New England and the United States. He has managed housing studies for towns, cities, counties, states, and housing authorities. Eric also serves as a technical advisor on HUD's Data Management Lane and has produced several analyses on topics of homelessness, emergency solutions grants, and emergency housing vouchers.

Eric's recent housing work in Rhode Island includes projects with:

**Providence, Woonsocket, Johnston, North Providence, and Westerly.**

## About our company

At RKG Associates, our focus is on you, our client. We understand that each client is unique, and we strive to provide comprehensive services that meet your specific needs. These include housing, economics, market analytics, general planning, and management services. Our team of experts utilizes data and analysis to provide custom, market-driven solutions to help you solve your greatest challenges.

**A FIRM WITH OVER 40 YEARS OF EXPERIENCE WORKING CLOSELY WITH MUNICIPALITIES ACROSS NEW ENGLAND.**

Our substantial experience in analyzing residential markets for public, private, and non-profit sector clients allows us to develop an implementation strategy that guides you from vision to action. We assess demographic, economic, and housing supply and demand factors that impact your market, and deliver strategies that are tailored to your needs. Our proven results demonstrate our ability to understand and address your unique challenges.
