## **Attachment A** **Scope of Work**

RIHousing seeks to engage hotels to provide accommodations for relocated occupants of housing units receiving LeadSafe Homes Program (“LSHP”) funding for the remediation of lead hazards at the tenant’s place of residence.

RIHousing’s LeadSafe Homes Program provides funds to property owners to make their properties lead safe. During remediation, the units must be vacated by the occupants. Program funding allows for temporary accommodations for these occupants, and RIHousing coordinates with hotels to arrange the accommodations typically ranging from three days to seven days dependent on the complexity of the project. Hotels shall submit room charges directly to RIHousing, but must limit incidental charges for the room unless the guests provide a credit card at check-in for such fees.

Please provide the following information for our evaluation:

### **Pricing**

Provide a nightly rate inclusive of all fees. If the nightly rate will differ depending upon length of stay, please provide a schedule detailing such differences. RIHousing is a tax-exempt organization and will provide a tax-exempt form.

### **Hotel Amenities**

List all facility amenities such as wi-fi, parking, local transportation, pool and exercise room, pet accommodation, etc.

### **Accessibility**

Please provide information regarding the number of ADA rooms available.
