

RHODE ISLAND CONTINUUM OF CARE

Request for Proposals for Supportive Housing Projects

Background

The Rhode Island Continuum of Care is requesting proposal(s) from qualified nonprofit organizations and/or local government agencies for new project applications for the 2022 Continuum of Care Program Competition. The CoC seeks projects that can make maximum efficient, economical, and effective use of the prospective allocation of the United States Department of Housing and Urban Development (HUD) Continuum of Care (CoC) funds.

The RICOc currently anticipates approximately \$600,000 of reallocation and COC bonus funding and \$750,000 in DV bonus funding may be available to apply for in the local COC competition, which is anticipated this summer. The CoC intends to allocate this funding to multiple projects. HUD will ultimately select the projects that are to be funded and selection by the CoC for inclusion in the collaborative application does not guarantee that the application will be funded by HUD.

The RICOc encourages nonprofit organizations with experience in serving people experiencing homelessness and who have not previously received CoC funds to apply. Organizations that assist BIPOC people and/or populations that have been marginalized are specifically encouraged. To assist organizations new to this process and funding, the RICOc will hold informational webinars on the schedule posted below.

Existing CoC grantees may also apply through this new application process for new projects or to 'expand' a current CoC project. An 'expansion' grant provides additional housing units and services and/or increases services to current participants. Expansion grants must be the same program component (e.g., RRH, PSH) and must identify the currently funded grant that is being expanded and the reasons why the expansion is needed.

The RICOc is now issuing a request for proposals so it is positioned to respond to HUD's annual continuum of Care competition. HUD has not yet issued the Notice of Funding Available (NOFO) for its Continuum of Care funding; therefore, it is possible that some modifications to this process may be necessary when the NOFO is released. **The RICOc is anticipating selecting more than one new project proposal across multiple Reallocation, COC Bonus and DV Bonus projects for supportive housing component projects, specifically Rapid Rehousing and Permanent Supportive Housing projects, in response to this issuance.** This is expected to be the only request for proposals issued to solicit COC new project applications; interested applicant agencies should respond to this issuance on or before the deadline in order to be considered for new COC funding.

Eligible Applicants

Eligible applicants must meet the following requirements:

- Be a non-profit organization or unit of local government
- Have capacity to administer federal funding.
- Have experience administering programs and services that assist people experiencing homelessness and/or housing crises

Eligible Project Types

The RCoC is prioritizing its new project funding for supportive housing project types. All housing projects must include trauma informed services.

Supportive Housing Project Type	Funding Type	Estimated total COC new project awards
Rapid Rehousing	DV BONUS	\$750,000
Permanent Supportive Housing	Reallocation and COC Bonus	\$600,000

The following chart provides additional information on these eligible supportive housing project types:

Permanent Supportive Housing (PSH)	
<p>Overview : PSH is a non-time-limited, permanent housing subsidy combined with a high level of supportive services. It is a model that is most effective when combined with a Housing First approach and is typically designed for folks with the highest needs, long experiences with homelessness and a household member with a disability.</p>	<p>Key Elements:</p> <ul style="list-style-type: none"> • Households would pay a percentage of their income towards rent for an indefinite period of time • Units can be site-based (e.g., lease up a bunch of units in an apartment complex) • Eligible populations: Categories 1 and 4 • Chronic homeless or dedicated PLUS definition applies
Rapid Rehousing (RRH)	
<p>Overview : RRH is a supportive housing program where a household may receive up to 24 months of rental assistance and supportive services, with up to six months of aftercare once the rental assistance ends. Supportive services often focus on income maximization and stability planning. The participant enters into a lease directly with the landlord.</p>	<p>Key Elements:</p> <ul style="list-style-type: none"> • Rental assistance models are flexible, should align with CoC's written standards for administering RRH • Households can choose their own units in the community/private market. Funded agencies must assist participant in locating and securing housing. • Eligible populations: Categories 1 and 4 • While it is a time-limited resource, there are no indicators for who will succeed in RRH - it is a resource that can work for anyone

Threshold criteria: Project must demonstrate its ability to pass all of the threshold criteria in order for the project to be reviewed and scored by the Recipient Approval and Evaluation (“Funding”) Committee.

Submission Instructions and Deadline

Deadline:

The proposal must be submitted electronically to the COC planner at EBioteau@RIHousing.com on or before **July 1, 2022 at 5pm** Eastern Daylight Time. PDF format is preferred. Please take note of page limits listed below.

Instructions: A successful proposal will not exceed 10 double-spaced pages (does not include budget worksheets or letter(s) of support) with 1-inch margins and 12-point font and contain the four sections outlined below. Each proposal should include:

1. **Introduction page** (1 page limit)

 - (b) confirmation of [eligible COC applicant](#) type, [type of project](#) being applied for in this proposal
 - (c) [DUNS number](#), [UEI number](#), and [EIN Number](#) . If the agency has an approved federal [indirect cost rate](#), or plans to use the [10% de minimis rate](#) that should be identified here.
NOTE: Indirect costs are not the same as direct administrative costs charged to the Administration (“Admin”) BLI in COC projects. For more information on the differences please click here: [CoC and ESG Financial Management - Direct vs. Indirect Costs - HUD Exchange](#)
 - (d) A brief introduction to the organization(s), including subrecipient(s)

2. **Demonstration of [Threshold Criteria](#)** (3-page limit)
Applicants should **letter each Threshold criteria** in accordance with the lettering convention used in the [Threshold Criteria](#) section of this RFP.

4. **COC Project Budget** (not included in 10-page limit for the narrative)
A complete/total project budget with clear delineation of COC costs and matching costs should be submitted using the COC budget tool provided. Administrative costs are capped at 10% of total project costs; applicants are strongly encouraged to apply for the 10% admin costs although they could manually adjust the budget form to decrease that budget line item. Please submit the budget as an attachment. (Excel format preferred for this attachment only).
NOTE: Admin Costs charged to the Administration (“Admin”) BLI in COC projects are **not** the same as indirect costs. For more information on the differences please click here: [CoC and ESG Financial Management - Direct vs. Indirect Costs - HUD Exchange](#)

If an agency is using the 10% de minimis rate for indirect costs (NOT admin) please use the budget form with “de minimis” in the title. All other applicants without an indirect cost rate and who are not using the “de minimis” rate should use the budget form that says “no indirect” in the title.

Award Notifications and Appeal Process

All applicants will be informed via email if their project was selected to be submitted as part of Rhode Island’s Collaborative Application for COC funding or rejected in accordance with the project [timeline](#). Accepted/selected email notifications will include a total approved project budget authority. All project selections are pending final approval from HUD and may be amended per feedback from the COC’s Recipient Approval and Evaluation (“Funding”) Committee, the RICOc and from HUD. Applicants with projects that are rejected for funding may appeal the decision by submitting an appeal in writing to the COC Planner at EBioteau@rihousing.com on or before the appeals deadline in the [timeline](#).
