B.6 Progress Report.

Provide a description of the PHA's progress in meeting its Mission and Goals described in its 5-Year PHA Plan.

2015-2020 GOALS UPDATE:

1. Use the Housing Choice Voucher Program to better help HUD's Opening Doors Initiative to end homelessness.

UPDATE: Since 2015, RIHousing has adopted a homeless preference in the Housing Choice Voucher Program. During the calendar years 2016, 2017, and 2018 100% of households leasing up have met the criteria for homelessness as defined by the lack of a fixed, regular, and adequate nighttime residence, defined by the PHA and an individual or family living in a supervised publicly or privately-operated shelter designated to provide temporary living arrangements.

2. Work with other Public Housing Authorities (PHAs) in creating a more streamlined process for applying for assistance, possibly creating a universal application and waitlist.

UPDATE: In 2016 RIHousing launched the Centralized Wait List with participation of 18 public housing authorities, nearly 70% of the state's housing authorities. This allows potential applicants to access one application for thirty-four (34) project-based voucher wait lists and the wait list for 18 housing choice voucher programs all from one online portal.

3. Perform better owner outreach by beginning Owner Information presentations throughout the state.

UPDATE: Since 2015, RIHousing has developed a Housing Stabilization team to increase the opportunity of HCV tenants and applicants to both obtain and retain housing. The team has launched a robust Landlord Recruitment strategy that includes outreach to communities across the state, providing local real estate agencies with information about HCVP. As a result of this outreach the team has worked with the Newport County Board of Realtors, local real estate agencies, and the Real Estate Investors Group reaching nearly 80 property owners. The team has hosted two SMART landlord presentations and a successful Landlord Appreciation and Resource Fair. Currently, the team is preparing a landlord newsletter which will be featured through social media and on the Landlord page of the RIHousing website with the intent of alerting the landlord community to resources such as the Landlord Mitigation fund, the Housing Stabilization team, Lead Remediation Assistance and other valuable resources that may combat perceived barriers to landlord participation in the HCV Program.

4. Work with other PHAs to open our waiting list simultaneously so applicants have an opportunity to apply to as many waiting lists as possible.

UPDATE: This was accomplished in 2016 with the launch of the Centralized Wait List and included 18 participating PHAs at the time. The total to date, is 18 housing authorities and thirty-four (34) project-based voucher sites.

5. Partner with affordable housing non-profits to create a tenant education program that will help tenants succeed in subsidized housing.

UPDATE: Through the RIHousing Mortgage and Finance Corporation's Community Development grants, a tenant education program was funded that is conducted by local Community Development Corporations.

	<p>6. Better utilize state and federal funds to provide residents with a more solid support system that not only includes housing, but other services as well.</p> <p><i>UPDATE: RIHousing has been working the state Medicaid office to request a waiver to provide reimbursement for housing stabilization services. While this effort is still underway, RIHousing has responded to the needs of HCV tenants by developing a Housing Stabilization team. The team supports households who are at risk of eviction or who have been issued a voucher and are struggling to locate an apartment. Since the inception of the Housing Stabilization team over 330 households have been served.</i></p>
<p>B.7</p>	<p>Resident Advisory Board (RAB) Comments.</p> <p>(a) Did the RAB(s) provide comments to the PHA Plan?</p> <p>Y N <input type="checkbox"/> <input type="checkbox"/></p> <p>(a) If yes, comments must be submitted by the PHA as an attachment to the PHA Plan. PHAs must also include a narrative describing their analysis of the RAB recommendations and the decisions made on these recommendations.</p>
