STATE OF RHODE ISLAND CONSOLIDATED ANNUAL PERFORMANCE & EVALUATION REPORT

The U.S. Department of Housing and Urban Development (HUD) requires that jurisdictions receiving funds through Community Planning and Development (CPD) programs adopt an annual action plan that summarizes the jurisdiction's approach toward addressing community planning and development needs and priorities, and that the jurisdiction's progress toward meeting those goals is described in an annual report. The 2023 Consolidated Annual Performance & Evaluation Report (CAPER), for which the State of Rhode Island Office of Housing and Community Development and RIHousing take joint responsibility, sets forth the use of federal funds for the July 1, 2023 to June 30, 2024 program year. The CAPER includes a detailed outline of spending on state and federal housing and community development activities for the program year.
