Attachment A

Scope of Work

RIHousing (“Agency”) seeks to build a list of qualified temporary staffing agencies and direct hire agencies to provide temporary employees and direct hires to the Agency on an as-needed basis. This will be a non-exclusive engagement in which entities will be selected on a rotating basis, subject to the Agency’s need. The Agency’s business primarily relates to mortgage origination and servicing (residential and commercial), the administration of housing assistance programs, and real estate development.

The Agency typically has need for one to three qualified persons per month to temporarily assist in various divisions when there is a staff shortage due to employee leave, termination, or other event which results in a position becoming vacant for a period of time. The Agency may also have the need for direct hire placement when it needs to fill a vacant position within a short period of time.

The Agency seeks entities with the ability to present to the Human Resource department on demand, or within a 24-hour period, the professional resumes of 3 or more highly skilled, in some cases specialized, candidates for review by the Agency. At time of presentation, the hourly bill rate for the temporary candidate as well as salary expectations of direct hire candidate, which must reflect all fees associated with their placement within the Agency, will also be provided to a representative of Human Resources.

For temporary candidates, the selected entities must make selected candidates available for in-person interviews with hiring managers and other representatives of the Agency, where requested, and must have the capacity to conduct pre-employment criminal background checks on all candidates selected to temporarily work with the Agency. The selected entities will serve as liaison between the temporary employee and the company in the event any disciplinary action is needed and must also be willing to recall the temporary employee at any time and for any reason, at the discretion of the Agency.

For direct hire candidates, the selected entities must have the capacity to conduct pre-screening on all candidates and make selected candidates available for in-person interviews with hiring managers and other representatives of the Agency.
