**Scope of Work**

**I. Services to be Provided**

RentReliefRI is a federally funded program that provides rental and utility assistance to help eligible renters maintain housing stability. Over \$159 million has been provided through the program to support Rhode Island renters and landlords. For more information on RentReliefRI, please visit <https://www.rihousing.com/rentreliefri/>.

RIHousing has contracted with 23 community partners to provide a variety of services related to RentReliefRI including outreach, application assistance and legal counseling. The community partners have varying levels of operational and financial capacity to support their work and compliance with the program. Some partners are long standing, established organizations and some are newer, on the ground, non-profits with limited staffing and history. All organization serve important purposes for meeting Rhode Island constituencies where they are, and some are meeting different demographics in culturally appropriate ways to help their constituencies successfully learn about the program, fill out an application and receive needed assistance. In an effort to assist these organizations in having the tools to successfully partner with RIHousing and manage their work, RIHousing wishes to engage a firm to help partners strengthen their operational and financial capacity.

The chosen firm will be expected to complete an assessment of the partner agencies to determine the needs of each organization, an appropriate level of training, education, and coaching, what form that will take, and for how long. It is anticipated that not all agencies will participate, and it should be assumed that the partners who do choose to participate will have different levels of skills, knowledge, concerns, overall organizational staffing, and capacity; therefore, the trainings must be able to address a variety of needs. This assessment should inform the curriculum of the trainings, though we anticipate training topics to include the following at a minimum: nonprofit accounting, financial reporting, financial planning, operations, meeting compliance requirements, board development, and other topics that would help partners increase their operational and financial capacity.

**II. Project Schedule**

Once a consultant has been chosen and a contract signed, a pre-planning meeting with RIHousing should be scheduled within one week. Following that meeting, we anticipate the assessment phase should be complete within four weeks, and then all training, education and/or coaching should be complete by September 2022.
